OBJECTIVE

To gain more knowledge and implement my knowledge in research and development purpose for biotechnology industry which will be helpful for the mankind and my work should make the entire mankind proud.

EDUCATION

2017-
2021

Hindustan Institute Of Technology and Science
Bachelor's In Technology In Biotechnology
8.49cgpa

2017

MMM. Higher secondary school
Standard 12th - Science
83.6%

2015

MMM. Higher secondary school
Standard 10th
93.6%

PROJECTS

Mini project on " Green synthesis of bimetallic heterogeneous catalyst for the production of biodiesel".

Reviewed a paper on " Transdermal drug delivery system for the treatment of Alzheimer's Disease".

Project on " Development of loop-mediated isothermal amplification pcr based detection kit for Methicillin-resistant staphylococcus aureus ".

ACTIVITIES

Participated in National Workshop cum Training on "Analytical techniques in molecular biology" Conducted by IIT Madras.

Participated in the workshop on "Good liquid handling practices" Conducted by Eppendorf India Private Limited.

Participated in South zone student research convention(ANVESHAN -2019) for presenting a paper on " Extension of the shelf life of indian white shrimps using extracts of ocimum sanctum and mentha piperita", held at vignan's university guntur.

Participated in National Conference on " Emerging trends in Biomaterials and it's application for social needs", held at Hindustan Institute of Arts and Science.

Participated in Online quiz competition on "New opportunities for youngsters in bioenergy space" and secured All India Rank 5 held by MHRD innovation Cell, institution innovation council , gulzar group of Institute, ludhiana.

INTERNSHIP

Optimurz Integrated Bio-solutions -2018
BASIC MOLECULAR TECHNIQUES

Bioneemtech India Private Limited - 2019
BIOMOLECULES

Vhs multi speciality hospital and research Institute - 2019
TRAINING IN MICROBIOLOGY

HOBBY

Baking

Dancing

Singing

Traveling
