## SUMMARY

From my past experience, step by step I've become more passionate to create a positive impact every day. I'm capable of building my thoughts and ideas to people around me, exploring the opportunities to learn more and more in my daily life even if it's just reading some article.

## EDUCATION

### History Hnrs

**Lady Shri Ram College For Women**

📅 08/2014 - 05/2017

## VOLUNTEERING

### Tutor

**Swabalamban**

📅 08/2015 - 03/2016

Served as a tutor to slum area students in an organization called "swabalamban" a local nongovernmental organization, where I was a part of tutoring team, for a period of 8 months, taught basic subjects - math, English, social science to more than 20 students, thrice a week. And every single one I taught to secure A grade in their subjects that year.

### Volunteer

**GreenRevolutionGlobal Program- Action Against Climate Change**

📅 09/2017 - 12/2017

Volunteered for a short term program during college, green revolution global program- action against climate change is an initiative by ICCE. This cause was supported by the United Nations framework convention on climate change. I secured an A grade in this program and got an international certificate.

## EXPERIENCE

### Sales Associate

**Concentrix**

📅 10/2018 - 03/2020 📍 gurgaon, haryana

worked as sales associate in Citibank where we used get in contact with US based customers regarding their financial account and we sell products to our loyal customers like loan, balance transfers. I've achieved the targets by doing my work efficiently.

- Met sales targets and achieved over 90% of overall sales targets
