

BENEDICT BERNARD BRITTO
Graduate Engineer - Electronics & Instrumentation

bbernard84@gmail.com

+91-9176481402

Objective

Graduate engineer looking forward to build my career in a challenging field to gain practical knowledge and utilize skills gained through academics to add value and contribute towards organization goals and become a subject matter expert to achieve highest position.

Professional Profile

Engineering graduate from Sathyabama University accented with latest technological advancements regulations /guidelines and statutory compliance with perseverance to succeed and zeal to achieve results .Posses judgment and decision making skills coupled with excellent communication and presentation skills.

Academic Credentials

Year of Passing

Bachelor of Engineering Electronics and Instrumentation
Sathyabama University

2017

Secondary School Leaving Certificate Grade 12
St Bede's Anglo Indian Higher Secondary School

2013

High School Certificate Grade 10
St Bede's Anglo Indian Higher Secondary School

2011

Areas Of Interests

Sensors and Transducers
Fundamentals of Robotics

Computer Skills

Programming in C
Microsoft Office

Relevant Certifications Projects & Coursework

Certified In English Communication Skills

Embedded C, Building Robot With Atmega 16
Using Arduino, Building Robot With Atmega16

Data Acquisition and Internet of Things

Academic Trainings

In-house Training at Greaves Cotton
SIPCOT Industrial Estate, Ranipet in December 2014

In-house training at BSNL
Rajiv Gandhi Memorial Telecom Training Centre BSNL" in June 2015

Arduino Controlled Robotics workshop
Velammal Engineering College on 9th August 2014

Project Summary

Lossless MRI- Image Compression Based On DWT With Huffman Coding

The project presents lossless color image compression based on context adaptive coding and DWT with Huffman coding under reversible color transform. The lossless compression begins with decorrelation of an RGB image by a reversible color transform and then Y component is encoded by lossless grayscale image compression method called Huffman coding.

Organizational Experience

Working at Morulaa HealthTech Pvt Ltd., Chennai as In-house Sales Administrative.

In-house Sales Administrative.

October 2017 – Present

- Working as an import and sales administrative.
- Carrying out the monthly performance tracking of all the sales.
- Analyzing the sustainability of each product to improve sales.

Skills

Good Communication Skills
Hard working
Dedication towards work
Quick learner
Disciplined

Personal Profile

| | |
|----------------------|-------------------------|
| Father's Name | Britto Rajkumar Mathias |
| Date of birth | 6 October 1995 |
| Passport Details | L1000747 |
| Language Proficiency | English & Tamil |
