PERSONAL PROFILE

In a world where positivity has become a luxury, I believe positivity and love is what needs to be spread amongst people. As a person, I try hard everyday to spread this through different methods – by teaching, counselling, writing or through artistic expressions. I have been a teacher, a writer, an agent advisor for an MN Life insurance company. Looking for new job opportunities for interacting with new minds

AREAS OF EXPERTISE

My strong areas are teaching and counselling with experience of over 4 years. I am a writer, and one of my writing even featured on the Open Page of The Hindu. I maintain my own personal blogs where I post my writings often.

WORK EXPERIENCE

LITTLE SPARKS NURSERY SCHOOL - TEACHER - 1 YEAR

Started my career in education, by joining as a teacher in Little Sparks Nursery School. My experience of working here for a year was quite fruitful. Teaching these kids about important values and preparing them for the school life and life in general ahead was a task that I enjoyed thoroughly. I was responsible for channeling their energies towards academic and creative pursuits

PRIVATE TUITION AND TUTORIAL- SUBJECT MATTER EXPERT - 2 YEARS

Took private tuitions for kids up to 6th grade for all CBSE subjects for year. Then joined a neighbourhood tutorial as a subject matter expert for the subjects English and Social Studies for students studying in 10th, 11th and 12th CBSE board.

MAX NEW YORK LIFE INSURANCE - AGENT ADVISOR - 1 YEAR

Joined this esteemed organisation as an Agent Advisor. As I come from an Economics background, this job helped me collaborate my interests in finances and education, to advice people to purchase a policy that is beneficial for them and their family.

AMWAY INDIA - DISTRIBUTOR - 2 YEAR

As part of this esteemed organisation, my role was to teach my subordinate distributors– mostly consisting of housewives on the dynamics of making a career– from public speaking to being self confident and independent in corporate field.
