

SUMMARY

B.E with 11 months of experience in Data Annotation. Worked on online tools from client end to produce 3 dimensions cuboids.

CAREER OBJECTIVE

Work and learn that contribute best for the growth of the organization by continue developing and sharing my skill ability.

SKILLS

AutoCAD

Rivit

3ds max

EXPERIENCE

Jun-2019 - Till Today

Consultant

Larsen & tubro technology services

Worked on online tools from client end to produce 3 dimensions cuboids.
• Generating cuboids in 3D scene with the require meta attributes. • Contribution in effective productivity with expected level of quality • Good team player to ensure the production as well as quality. • Assisting with quality for non – tenured employee

PROJECTS

Project Name: Highway junction without traffic signals

Role: Team member

Team Size: 4

Project Duration: 3 Month

Project Detail

•Colombia Asia junction is one of the busiest junctions of Mysore city. 3 months At that junction already traffic signal control exits, but also junction prone to traffic jams, accidents and increase in travel time due to increase in the traffic volume and low capacity of road. •As the solution to the traffic problem of the Colombia Asia junction, the study has been carried out on suitability of proposal of C-shape flyover and rotary roundabout to overcome from the congested junction. •By collecting some field data like a accident parameter, traffic jams, number of vehicles moving over the road and traffic control parameters, and apart from these we have conducted reconnaissance survey and detailed survey of the existing condition of Colombia Asia junction. •we have found suitable alternative way to overcome this type of server problems, by providing highway junction without traffic signals. • In this report we have suggested suitable two alternative methods of unsignalised junction. In our project we have proposed C-shape flyover and Rotary roundabout.

EDUCATION

Degree/Course	Percentage/CGPA	Year of Passing
BE (civil engineering)	52 %	2018
Maharaja institute of technology , VTU		

STRENGTHS

Positive attitude, Dedication, Good team work, Eger to learn new things
