EXPERIENCE

Luxembourg Stock Exchange - Luxembourg, Luxembourg. Jan 2019 - July 2019

Finance Intern

Optimized financial reporting processes: Identified and solved problems with existing processes and developed new reports with improved efficiency. Redid the database on excel, to enable better accessibility to and accuracy of financial data.

Monthly financial reporting, consolidation and analysis of results and budgets.

Involved in the 2018 annual year-end closing, preparation and review of the annual report and shareholder reports.

Ensured financial compliance of accounting to LuxGAAP and IFRS standards and ensure all documents are audit-ready for the annual closing of accounts.

Worked on the investment portfolio of the company and created routine reports to analyse the European bond (and equity) market.

Contributed to developing strategic recommendations for management regarding long-term planning.

GRT Hotels and Resorts - Chennai, India.

May 2017 - Aug 2017

Sales and Marketing Intern

Performed market research on potential client base.

Created reports on the industry/ market trends and analyzed market share and data on competitors.

Assisted in development of marketing campaigns and evaluating their effectiveness.

Sales call visits - Preparation of sales pitch, negotiation and maintenance of steady relationship with the client base

TVS Motors - Chennai, India.

May 2015 - June 2015

Accounting Intern

Review of financial statements and analysis of sales revenues, costs, expenses and tax rates for all business units using financial ratios.

Worked with the book-keeping software by assisting with data entry, recording and maintenance of accurate completed financial records.

Assisted in compiling and analysing data, keep track of information and support the company.
