- ◆User manuals, guides & brochures
- ◆Guest posts
- ◆Case studies
- ◆User experience content
- ◆Youtube ads
- ◆Resume Writing
- ◆Linkedin Profile Optimization
- ◆Academic Writing
- ◆Training and Development

I always conduct extensive research to ensure the authenticity of information before designing content for the print or online media. In my experience as a manager for content creation, I have leveraged traditional means and newer social media to revitalize communication. My background includes adapting to the varied changes in corporate culture and designing content for multiple purposes.

I have led my teams with an emphasis on results-oriented business strategies, collaboration, and highly executable action plans. I have managed content and branding programs with clear and measured objectives and results-oriented actions for our clients in Singapore, Malaysia, UK, UAE, USA, and many more.

As a respected collaborator, I have successfully collaborated with senior executives, board members and divisional leaders of various organizations while strategizing content for branding and social media promotions.
