PROFILE

I am a confident, adaptable personality and a very passionate engineer seeking placement in a reputed organization. My background is in Mechanical engineering and did specialization in Automotive Production. My passion is centered in Design, R&D, Manufacturing, and Quality control. I want to discover more about the amazing world of Design and Manufacturing of cars. where I will use my skills to test and learn new things very soon. And my goal is to grow as a professional, every day.

EDUCATION

Automotive production | Master Degree

Technical University of Kosice

📅 10/2019 – 06/2021 📍 KO ŠICE, SLO VAKIA

Absolvent obtained common technological processes knowledge of half-finished products and workpiece assembly and examination logistics operating and CAx technologies. Special skills of car construction and car components organizations and manufacturing operations of suppliers factories and automotive facilities, innovation processes operating.

Mechanical Engineering | Bachelor's Degree

Saveetha Institute of medical and Technical Science

📅 08/2015 – 04/2019 📍 CHENNAI, INDIA

A very well-respected 4-year program in Chennai. Apart from its primary focus, it also provides knowledge in a wide variety of other fields, such as mechanics, manufacturing, machine learning, G- code & M- code programming, engineering graphics, and thermal machines, among others.

WORK EXPERIENCE

Production and design engineer

Garret Advancing Motion

📅 11/2020 – 07/2021 📍 PREŠO V, SLO VAKIA

I have programmed inspecting the production line and rectifying the errors and design in developing of a new product.

UCAL FUEL SYSTEM LTD

Production Trainee

22/11/2018 - 15/02/2019 CHENNAI, INDIA

Supervising trials and testing in the plant and Assisting the lead process engineer.

Sri Ganesh Enterprises

Inventory management Trainee

20/02/2019 - 18/08/2019 CHENNAI, INDIA

Process of ordering, storing, using, and selling a company's inventory.

Academic intern

Integral Coach Factory (ICF)

📅 04/2016 – 07/2016 📍 CHENNAI, INDIA

CNC Milling Operator. Basic machines operation. Quality control and problem-solving tasks. Packaging. Manual milling, lathe. Welding in MIG/MAG/TIG. G-code programming.

TECHNICAL SKILLS

① DESIGN SOFTWARE

Autodesk Inventor

Matlab/Simulink

Catia V5

Ansys

Solid Works

Creo

Tecnomatix Plant simulation

Tecnomatix Jack

Microsoft Office

Auto CAD 2D & 3D

① TECHNICAL SKILLS

Line management

troubleshooting

interpreting blueprints

Quality control & tools

Designing 2D and 3D

GD&T

Product design and development

SAP

DFMEA

① LANGUAGES

English Professional

German Limited

Slovak Limited

Czech Limited

French Elementary

① NATIVE LANGUAGES

Tamil Professional

Telugu Native

Hindi Professional

Malayalam Professional

① DRIVING LICENCE

European Driving Licence

Indian Driving Licence

CERTIFICATES AND TRAINING

Master Diploma in Product design and Analysis CADD Center

📅 11/ 2020

<http://www.caddcentre.com/caddverification.php>

Anslys, Catia V5, Creo, Auto Cad 2D&3D, GD&T

Certificate of participation in national level Kart Racing Championship Virtual MotorSports National Kart Racing

📅 09/ 2017

www.virtualis.in, www.nkrc.in

CERTIFICATES AND TRAINING

Certificate of participation in Destructive and Non - Destructive Testing (NDT)

TWG Group

📅 02/ 2017

www.twggroup.in

Basic Knowledge in Non destructive testing methods

SAP ERP LinkedIn LEarning

LinkedIn LEarning

📅 08/ 2021

Material Management & Marketing, Sales

Agile New Product Development for Manufacturers

LinkedIn LEarning

📅 07/ 2021

Agile Projectmanagement and Methodologies

Engineering Drawings for Manufacturing

LinkedIn LEarning

Basic Knowledge in Engineering Drawings & Manufacturing methods.

PERSONAL SKILLS AND COMPETENCES

Team player, Self-motivated, strong communication and organizational skills, time and self-management, consultant mindset, easy learner, logical thinking, problem-solving, interpersonal skills agile and adaptive.

HOBBIES

Exploring distant
lands

Gaming

Capturing moments

Feeling the music

Every kind of sport

repair motor bike
and car
