SKILLS

IBM WebSphere DataPower	Java	Web Technologies: HTML, XML
DevOps	Agile Software Development	IBM Integration Bus

EXPERIENCE

Application Developer
IBM *Jun 2019 - Present*
I have joined IBM as a graduate Hire in 2019 and started my journey as ESB- Support Analyst. After six months of successful work, I was encouraged to work in a position as a Developer. Currently am working as a DataPower specialist- playing a vital role at the account level.

PROJECTS

Nationwide Building Society
NEM - DataPower Specialist *Apr 2021 - Present*
Nationwide Building Society has many components integrated as part of IBM NEM Digitalization. I started working as a DataPower Analyst to proactively work, analyze, and fix the issues/failures observed in/within middleware architecture.

Westpac Banking Corporation
Senior Developer *Aug 2019 - Mar 2021*
Westpac bank has currently run multiple applications in different domains and developed them using collective technologies. To integrate all these applications, Westpac uses SOA-ESB as one of the middleware technologies. I have gained experience as a support analyst and excelled myself as a developer.

EDUCATION

Master of Engineering - Applied Electronics
Chennai Institute of Technology *2020 - 2022*

Bachelor of Engineering - Electronics and Communications Engineering
Chennai Institute of Technology *2015 - 2019*
Has qualified for the award of the "*FIRST CLASS* "degree.

Higher Secondary Education
