_____

Career objective:

To work with commitment and passion in an esteemed firm that offers professional growth and gain experience while working.

Professional summary:

- 4 years 6 months of Experience in POI(Point of Interest), Navigation, Drive coding, Naming Project.
- In Navigation I done with SUBSTRATE PRODUCTION.
- In DRIVE COADING Project I done with GEOFIX Production and Quality.
- In NAMING Project I done with TNC, 3DV, Batch Validations Task Production and Quality.
- Identify issues and problems, develop appropriate solutions.
- Quality Assurance: Responsible for working within the provisions and guidelines of the quality assurance relevant to the project.
- Delivering the services that meet customers and applicable statutory and regulatory specifications on time and within budget.

Software Exposure:

Design Tools   : AutoCAD 2D & 3D, FUSION X
Database   : MS Office
Operating System   : MAC OS Catalina, Windows 10

Work Experience:

Name of company   : RMSI PRIVATE LIMITED
Client   : APPLE INDIA PRIVATE LIMITED
Period   : 31st MARCH 2017 to 3rd November 2021
Designation   : GIS Engineer

List of Projects Performed:

PROJECT #1 : GIS SUBSTRATE

GIS Substrate is a navigation based project that creates digital map data and deals with the GPRS Navigation using licensed Apple maps in Fusion X tool.

This navigation includes Street view, point of interest, different types of roads and drive coding. Digitizing of roads is done through latest satellite imagery. Client will provide inputs they are previous satellite imagery, driving probe, heading probe and walking probe for reference. Based on these given client references we will create new maps which will be further used by Apple users.

PROJECT #2 : NAMING

Naming project deals with applying Names to the Geometry digitized by the editors. Names are applied by using different sources called Tiger Conflation Data, 3DV Detection Panorama. Naming project has different have tasks like TNC,3DV, Naming Finishing Task, Stacked Roads, Naming Batch Validations.

PROJECT #3 : DRIVE CODING

DC project, this project will enhance the Road network using latest video files and imagery which was provided by our client. In this project we will update the necessary attributes like Speed limit, Barriers, Walkability, Sign guidance, Turn Restrictions by using drive Panorama and Ortho Imagery provided by client.

Professional Skills:

- I can adapt to different types of exposures and prioritizations of works.
- Quick learner, good Individual player and communicate well with client.
- I had developed a nature of being client centric.

Educational Qualifications:

- **B.Tech Electronics And Communication Engineering** from VIGNANA BHARATHI INSTITUTE OF TECHNOLOGY JNT University, Hyderabad.
- **Board of Intermediate** Education M.P.C from NARAYANA JUNIOR COLLEGE, Hyderabad.
- **SSC** from S.T Viencent High School, Hyderabad.

Personal Profile:

Name	: P. Nandini
Father's Name	: P. Pratap Singh
Languages known	: English, Hindi & Telugu
Nationality	: Indian
Marital Status	: Single
Address	: 1-75/4/22/1, Sai maruthi colony, Uppal, Hyderabad.

Declaration:

I hereby declare that all the information stated above are to my knowledge, belief and conscience.

Date:

Place: (P. NANDINI)
